

License Information

Open Source Software used in the product:

The product contains, among other things, Open Source Software files, as defined below, developed by third parties and licensed under an Open Source Software license. These Open Source Software files are protected by copyright. Your right to use the Open Source Software is governed by the relevant applicable Open Source Software license conditions.

Your compliance with those license conditions will entitle you to use the Open Source Software as foreseen in the relevant license. In the event of conflicts between other Schneider Electric license conditions applicable to the product and the Open Source Software license conditions, the Open Source Software conditions shall prevail. The Open Source Software is provided royalty-free (i.e. no fees are charged for exercising the licensed rights). Open Source Software contained in this product and the respective Open Source Software licenses are stated below.

If Open Source Software contained in this product is licensed under GNU General Public License (GPL), GNU Lesser General Public License (LGPL), Mozilla Public License (MPL) or any other Open Source Software license, which requires that source code is to be made available, you can download the corresponding source code of the Open Source Software from the following link:

https://www.schneider-electric.com/en/download/document/6725-000x_OpenSource_ColorMine/

Warranty regarding further use of the Open Source Software:

Schneider Electric SE and all of its subsidiaries ("Schneider Electric Group") provide no warranty for the Open Source Software contained in this product, if such Open Source Software is used in any manner other than intended by Schneider Electric Group. The licenses listed below define the warranty, if any, from the authors or licensors of the Open Source Software. Schneider Electric Group specifically disclaims any warranty for defects caused by altering any Open Source Software or the product's configuration. Any warranty claims against Schneider Electric Group in the event that the Open Source Software contained in this product infringes the intellectual property rights of a third party are excluded.

Technical support, if any, will only be provided for unmodified software.

All open source software components used within the product are listed below (including their copyright holders and the license conditions).

1.)

Package Name: ColorMine - Version: 1.1.3
