## Der runde Schalter

Der runde Schalter ist ein Kompletgerät. Wenn Sie eine Mehrfachkombination realisieren wollen, dann muss der Abstand zwischen Dosenmitte zu Dosenmitte 113 mm betragen.

Empfehlung: Den Abstand erreichen Sie, indem Sie z. B. zwei Abstandsstützen von je 21 mm Länge zwischen die UP-Dosen setzen.

## Jumbo, der große Schalter

QuickFlex

## Rasiersteckdose

System M	a	b	c
